

# How to Play Flappy Bird

This document will assist you in navigating to and playing Flappy Bird within an internet browser for endless hours of competitive fun. It is written for student who seek a competitive game that is simple in design and easy to pick up. These instructions will take anyway from 5 minutes to 10 minutes, time may increase based on gameplay duration.

## Parts:

1. No parts are required.

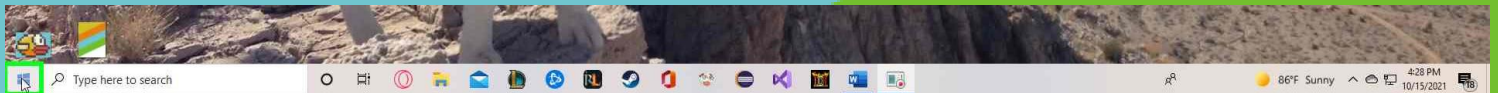

## Required Materials:

1. A desktop or laptop with an internet browser installed.

## Special Conditions:

1. If you are using a desktop, you must also have a mouse, keyboard, and monitor connected.
2. Internet access is required.

## Step-by-Step Instructions:

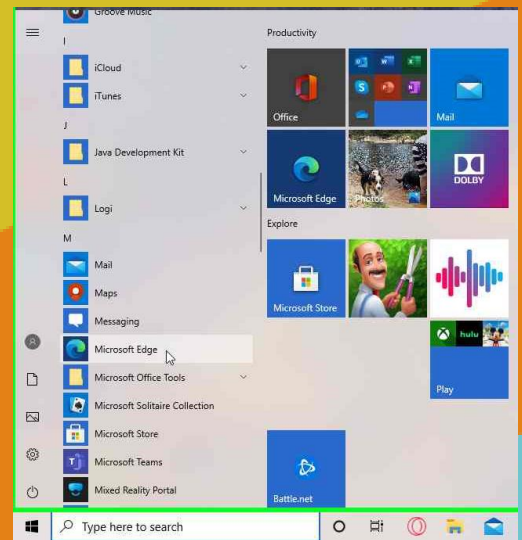

**Step 1: Navigate to the Start Menu** – with the mouse, navigate to the start menu (See Image 1)

**Image 1: Start Menu**

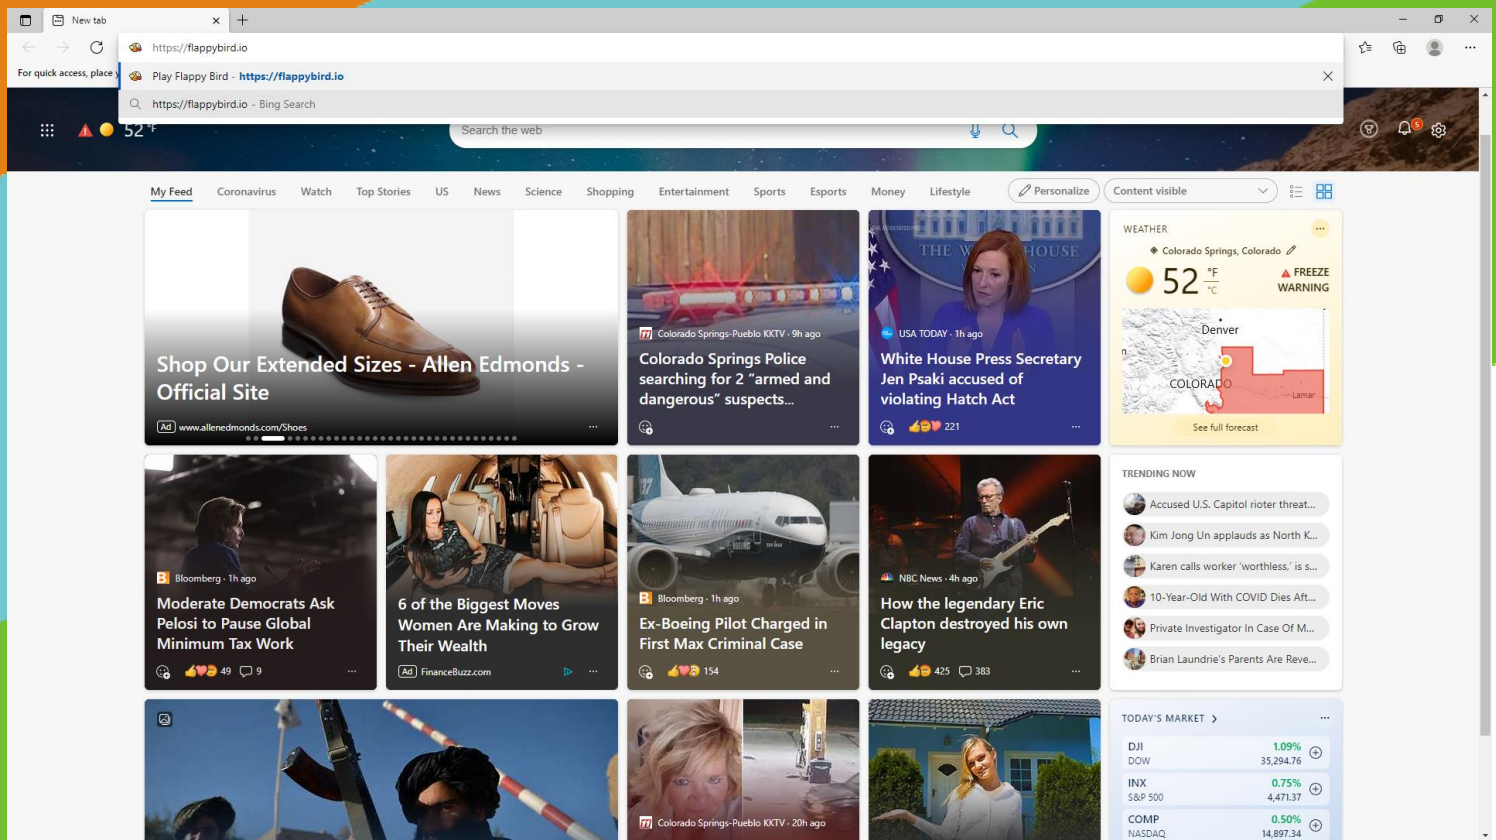

**Step 2: Find and Open the Internet Browser** – Find the Internet Browser installed on the computer and left click open it. (Mozilla Firefox, Microsoft Edge, Google Chrome, etc.). (See Image 2)

**Step 3: Enter Website Address** - In the web address bar type: <https://flappybird.io>. (See Image 3)

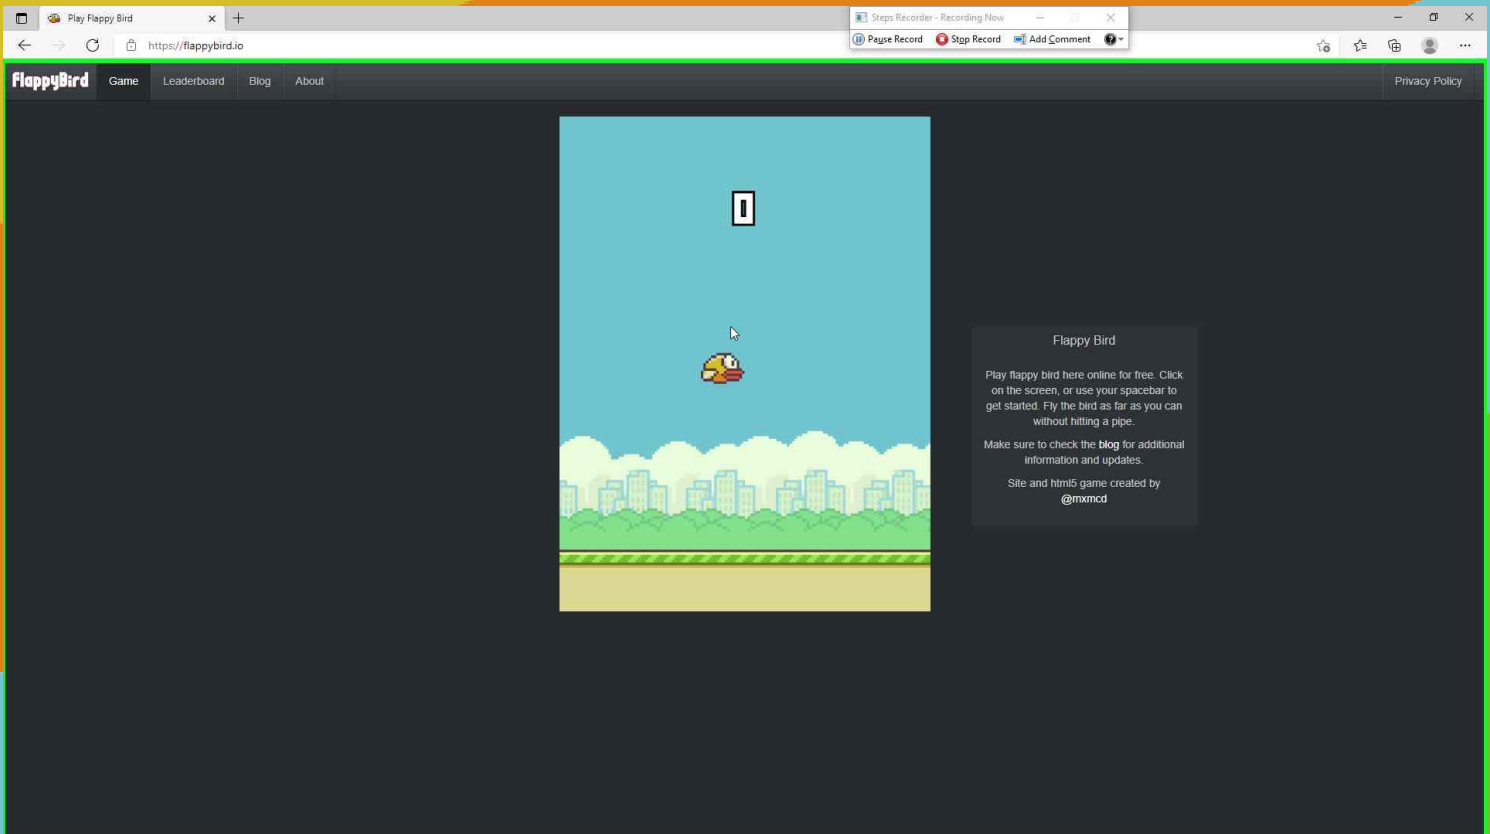

**Image 2: Internet Browser**

**Image 3: Address Bar in Microsoft Edge**

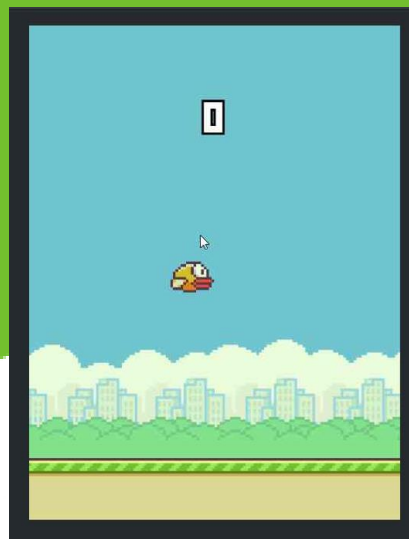

**Step 4: Press Enter** - On your keyboard, press the enter button to navigate to the website address. (See Image 4)

**Image 4: Flappy Bird Page**

**Step 5: Start Flappy Bird-**  
To begin playing the game, left click within the window where the bird is displayed. (See Image 5)

**Image 5: Flappy Bird Window**

### **Step 6: Play Flappy Bird -**

You must continue to left click to make your bird ascend or withhold left clicking to descend the bird. (See Image 6)

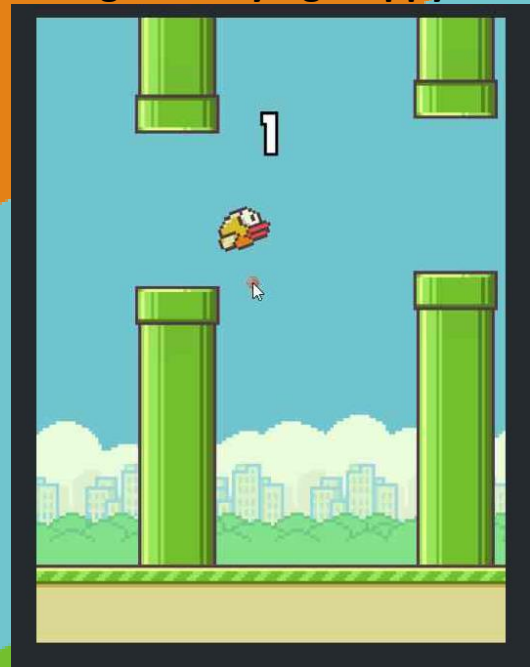

**Step 7: How to win** - The goal is to ascend and descend your bird to make him fit through two sections of pipe, without hitting those pipes or the ground.

**\*NOTE\*:** A score counter at the top of the screen keeps count of how many sections of pipe you have made it through.

**Step 8: How the game ends** - Upon hitting a pipe or the ground, the game will end. (See Image 7)

**\*NOTE\*:** A score recap is displayed (this round's score, your best round's score) along with 3 other button options.

**Image 6: Playing Flappy Bird**
